# See What Your Body Is Saying

The miHealth 2.0 combines cutting-edge bioelectric technology with an elegantly portable design — your personal wellness companion, anywhere you go.

# Core Benefits — What You'll Feel

## Stress Reduction

Ultra-weak electrical signals calm the nervous system and reduce tension fast

## Faster Recovery

Muscle re-education accelerates post-workout and post-injury healing

## Better Sleep

Energy-flow restoration supports deep, restorative sleep cycles nightly

## Mental Clarity

A balanced body-field lifts mood, sharpens focus, and elevates well-being

# Energy Flow & Muscle Re-Education

## Bioelectric Biofeedback

The miHealth 2.0 "listens" to skin impedance in real time, detecting and clearing stuck energy patterns that cause pain, fatigue, and imbalance.

## SCENAR-Style Pulse Modulation

Inspired by SCENAR therapy, its adaptive pulse modulation retrains muscles for smoother, pain-free movement — helping your body remember how to heal itself.

# Clinical Credibility & Peace of Mind

## Featured on NBC's "The Doctors" (2020)

Medical doctors performed live on-body scanning on national television, validating miHealth's real-world effectiveness in front of millions of viewers.

## 1-Year Manufacturer Warranty

Energy4Life stands behind every device with a full one-year warranty covering manufacturing defects and performance issues.

## 30-Day Money-Back Guarantee

Try it completely risk-free. If you're not fully satisfied within 30 days, return it directly to Energy4Life for a full refund — no questions asked.

# How miHealth Works — The Four-Step Science

## **Bioelectric Biofeedback**

Sends ultra-weak signals and records skin response.

## **PEMF Harmony**

Pulsed fields resonate with the body's natural frequencies.

## **Pulse Wave Analysis**

One-minute algorithm maps Five-Element energy patterns.

## **Real-Time Field Scanning**

Identifies blockages and broadcasts corrective frequencies.

Each session adapts dynamically to your body's unique responses — delivering precisely what your energy field needs, in real time.
